

IMPORTANT INFORMATION - Please Read

Dear Teachers, Dancers, Families, Friends and those attending Tribute in Oswego,

I am looking forward to seeing everyone this coming weekend at our event in Oswego. In preparation for this weekend I wanted to begin the program book with detailed information to share with all of our participants. The Oswego East High School is a very nice venue, however we must all remember that venues such as these are schools and their main objective is to educate students. They take pride in their school and therefore they have very strict policies for all dance competitions and attendees. These rules are in place in order to protect their school from damages. Listed below are rules that have been given to me by the facility manager and I wanted to share these with everyone attending so you know in advance. I feel it is my responsibility as the owner of Tribute to inform you of rules that they will enforce. By giving you this information now, there will be no surprises when you arrive.

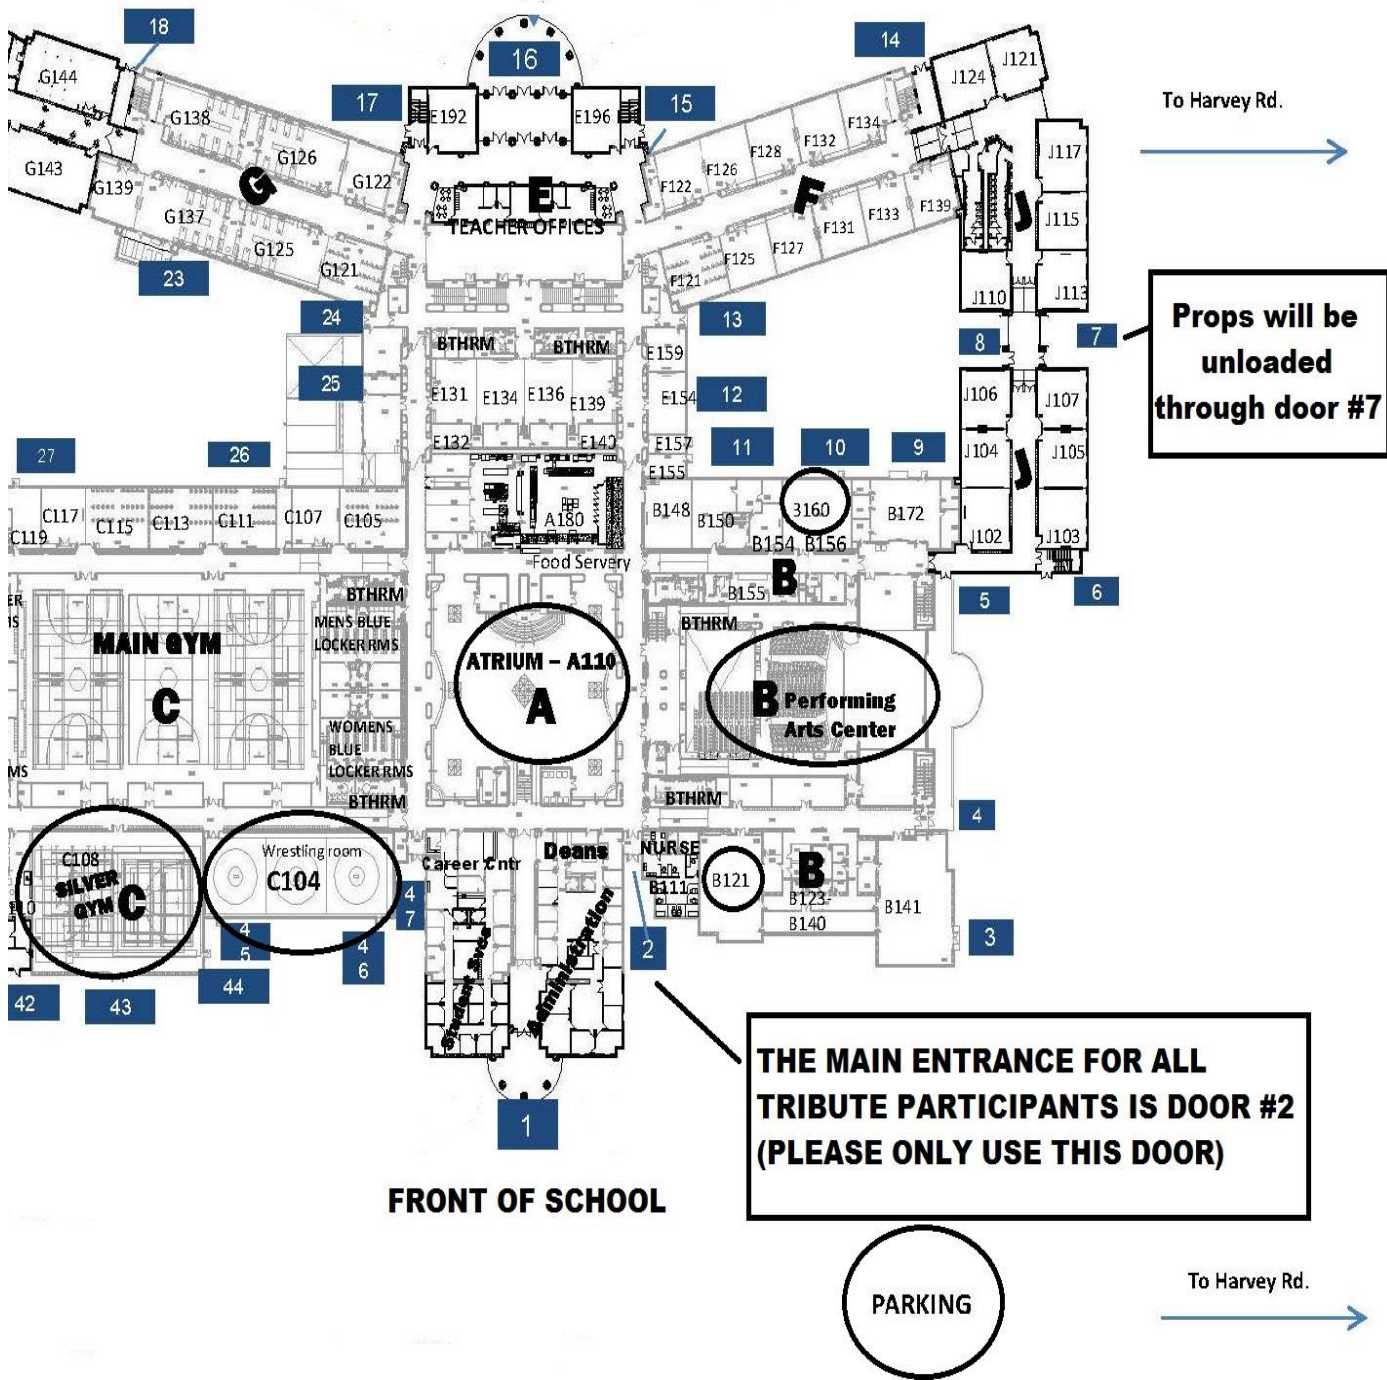

- 1) All Minors must be supervised at all times.
- 2) NO FOOD OR DRINK in the Theater. They will have staff that will watch for this at the entry doors to the theater and will also come up to you in your seat if you do not follow this rule. Please look at the map below and notice the (A) Atrium area. This is a HUGE designated area for you to eat and if you have coolers or bags with food this area is the ONLY area you can have these items. They will also provide concessions for the event.
- 3) Bottled water ONLY in dressing areas.
- 4) All spray glitter must be used with an apron or cover to minimize spill on to school district property.
- 5) Please keep makeup off of school district equipment that may be in the dressing area's such as piano's, desks, computers, etc
- 6) No writing on any white boards in classrooms
- 7) Refrain from using any school district computer or electronic devices.
- 8) NO tapping in hallways, Atrium, choir room, or classrooms.

DRESSING ROOM ASSIGNMENTS

Due to circumstances that are out of my control, some of the dressing rooms that were originally reserved are no longer available because of damages that were done in the past. Please know that this has caused me to make changes and to add additional space in order to make sure that there is plenty of room for all of those attending my event. Therefore I am assigning dressing space for this event based on costume changes and routines that have very limited time to change for the next performance. Below are the dressing room assignments for Tribute. The **Boys** will be in a room across from **B154** all weekend and there will be a sign posted on this room.

- 1) **Friday and Saturday** for Solos, Duet/Trios and a few small groups. ALL Studios will use the large wrestling room (C104 on the map below). This room is very large and open.
- 2) **On Sunday** this will change as we move into Large Groups, Lines and more Small Groups
 - a) ALL STUDIOS may use the SILVER GYM **(C)** (C108) on the map.
 - b) Due to quick costume changes these rooms are assigned to the following for **Sunday**:
 - 1) Art In Motion-**B160**, Forte Arts Center-**Wrestling Room(C104)**, Storm (**B121**)

Below is the inside map of the North East side of the school where the Performing Arts Center is located. VERY IMPORTANT..All participants will enter through DOOR #2 as show on this map. The facility manager asks that you please enter only through these doors. Notice the large Atrium for an eating area (A). Door #7 will be the entry door for unloading props which leads to Door #9 and the backstage area. Once you unload all trailers must exit and park in the general parking area.

This is an aerial view of Oswego East High School to give you an idea of how the outside of the building looks as well as its proximity to Harvey Road. The Performing Arts Center is on the North East side of the school as shown in this picture. You can also see where Door #2 is located for the main entrance.

I hope that all of this information will assist you in planning ahead as you make your way to the venue for our event. If you have any questions please feel free to contact our office and we will be happy to help you.

Looking forward to a wonderful weekend of Dance,

Darin

NATIONAL TALENT COMPETITION

2014

CHICAGO, ILLINOIS

Dear Teachers, Dancers, Families and Friends,

Welcome to Tribute National Talent in Chicago. This year we are celebrating our 3rd year and we are so blessed to have the honor and privilege of seeing some of the most talented teachers and dancers in the country. Each event is very special to us as we treasure the time that we share with so many wonderful people who truly are important to us. The art of dance is something that touches our lives as it allows our hearts and minds to focus on something that is such a gift. We all have the opportunity to witness the hard work that each and every dance teacher and choreographer shares as they dedicate so much of their heart and soul into their work. Seeing the dancers perform each and every piece gives a sense of pride and joy not only for the teacher and choreographers, but also for the family members who see the dancers doing what they love. One of the most powerful rewards of dance is not the trophy or award earned, rather it is having those moments on stage to inspire and to make an impact on others. So we say thank you to all of the teachers, choreographers and their dancers for your dedication and determination to make a difference through dance that we will all cherish for many years to come.

I have always wanted Tribute to stand for more than just a dance competition. I wanted to share a visible appreciation and gratitude with everyone in attendance. This year we are once again inviting dancers to share personal stories about their parents. The Tribute to my Parents Award has become a trademark of Tribute National Talent and has definitely touched others in a way that you would not expect at a dance competition. The sharing of love, appreciation and respect gives a behind the scenes story of how dance families live their lives and the memories that are made. Dancers pour their hearts into the essays they write and for me personally it is a strong reminder of the importance of family. This award has given me a way to honor my late father and I know if he were here today he would absolutely love this award and what it stands for. We all know there is love, respect and appreciation at home, but it is also in every dance studio. A dance teacher is more than someone who teaches dance, they are part of the family and can make a huge difference in the lives of dancers. The hugs that are shared, the joy from the smiles on faces, and above all the admiration that is felt is so wonderful. Dance has truly given children a very positive atmosphere to learn, love and live out their dreams.

When I was deciding to create Tribute 3 years ago I did some research and I realized that there were over 150 different competitions and conventions to select from. In that decision process, I followed my heart and I knew that if I believed in myself and did my part to make a difference then everything would be just fine. There are times when you take risks in your life and looking back over the last 2 years I am very humbled to be in the position I am in and to see Tribute grow each year in a way that I am very grateful. I want everyone to know that your selection to attend Tribute this weekend means so much to me and my family. We know you have so many choices on which events to select and we are so appreciative that Tribute was on your calendar this year. With a loving and caring staff we will do our best working together to make sure you leave this weekend feeling appreciated and loved.

Many Blessings to you and yours in this new year of dance,

AWARDS

JUDGES SCORING PROCESS

The scoring system is the same for both the Honor and Supreme Levels.

Each performance will receive up to 100 points per judge based on the following criteria. Technique (15-40 points), Execution of Performance (15-30 points), Showmanship (5-20 points), Choreography (1-5 points), Overall Appearance (1-5 points). Each act will be judged from an adjudicated point system with multiple 1st and 2nd place awards presented within each age group for each category. There are multiple 1st and 2nd place awards within the same age division of the category that will be broken down and announced in placement order lowest to highest.

The scoring scale breakdown

Supreme 1st Place 285 - 300 points (95-100 per judge)

Elite 1st Place 278 - 284 points (93-94 per judge)

1st Place 270 - 277 points (90-92 per judge)

2nd Place 255 - 269 points (85-89 per judge)

The judge's panel will break any and all ties for the overall Top Ten Finalists. Should a tie occur, the auditor will add the 3 technique scores together; if still not broken the 3 scores from execution will be added, and if still not broken, the judges will make the final decision.

REGIONAL CASH PRIZES

ALL PRIZE WINNINGS WILL BE IN THE FORM OF CASH PRIZES AND
NO GIFT CERTIFICATES WILL BE AWARDED
SINCE THE ENTRY FEES ARE THE SAME FOR BOTH LEVELS
