NATIONAL TALENT COMPETITION
2014
DAVENPORT, IOWA
Dear Teachers, Dancers, Families and Friends,

Welcome to Tribute National Talent in Davenport, Iowa. This year we are celebrating our 3rd year and we are so blessed to have the honor and privilege of seeing some of the most talented teachers and dancers in the country. Each event is very special to us as we treasure the time that we share with so many wonderful people who truly are important to us. The art of dance is something that touches our lives as it allows our hearts and minds to focus on something that is such a gift. We all have the opportunity to witness the hard work that each and every dance teacher and choreographer shares as they dedicate so much of their heart and soul into their work. Seeing the dancers perform each and every piece gives a sense of pride and joy not only for the teacher and choreographers, but also for the family members who see the dancers doing what they love. One of the most powerful rewards of dance is not the trophy or award earned, rather it is having those moments on stage to inspire and to make an impact on others. So we say thank you to all of the teachers, choreographers and their dancers for your dedication and determination to make a difference through dance that we will all cherish for many years to come.

I have always wanted Tribute to stand for more than just a dance competition. I wanted to share a visible appreciation and gratitude with everyone in attendance. This year we are once again inviting dancers to share personal stories about their parents. The Tribute to my Parents Award has become a trademark of Tribute National Talent and has definitely touched others in a way that you would not expect at a dance competition. The sharing of love, appreciation and respect gives a behind the scenes story of how dance families live their lives and the memories that are made. Dancers pour their hearts into the essays they write and for me personally it is a strong reminder of the importance of family. This award has given me a way to honor my late father and I know if he were here today he would absolutely love this award and what it stands for. We all know there is love, respect and appreciation at home, but it is also in every dance studio. A dance teacher is more than someone who teaches dance, they are part of the family and can make a huge difference in the lives of dancers. The hugs that are shared, the joy from the smiles on faces, and above all the admiration that is felt is so wonderful. Dance has truly given children a very positive atmosphere to learn, love and live out their dreams.

When I was deciding to create Tribute 3 years ago I did some research and I realized that there were over 150 different competitions and conventions to select from. In that decision process, I followed my heart and I knew that if I believed in myself and did my part to make a difference then everything would be just fine. There are times when you take risks in your life and looking back over the last 2 years I am very humbled to be in the position I am in and to see Tribute grow each year in a way that I am very grateful. I want everyone to know that your selection to attend Tribute this weekend means so much to me and my family. We know you have so many choices on which events to select and we are so appreciative that Tribute was on your calendar this year. With a loving and caring staff we will do our best working together to make sure you leave this weekend feeling appreciated and loved.

Many Blessings to you and yours in this new year of dance,
On behalf of the staff we welcome you to Tribute

Johnette Rutledge – California

As a third generation dancer, Johnette Rutledge knew from a young age she wanted a life filled with dance. After graduating from the Perpich center for Arts Education, and Summit School of Dance, she began performing anywhere she could! She enjoyed many years of touring with the tap percussive company, The Flying Foot Forum, as well as performances ranging from the MN Opera to AT&T industrial shows. She has a great love for choreography, receiving top awards for her work at the regional and national level. In 2005, she was awarded the Silver Leo's award for dance excellence at the Jazz Dance World Congress. Johnette has spent the last 20 years of her life as an instructor/choreographer with Summit Dance Shoppe in Plymouth MN, but has recently made a move to the west coast! She enjoys being a freelance choreographer and instructor which gives her the opportunity to share her love for dance to aspiring dancers around the country. She spends her weekends judging for various national dance competitions, teaching workshops and conventions, and choreographing for studios and University dance teams around the country. Most recently, Johnette was featured in Dance Teacher Magazine, speaking on a dance teachers life after childbirth.

I wanted to take this opportunity to tell my daughter, Haley Daedlow, how proud I am of the amazing person and dancer that you have become. I love watching you dance, you are truly an inspiration to me & everyone you meet. Thank you Jenny Thielman for everything you have taught her. You have shown Haley the beautiful art of dance and what it is to just simply be a wonderful human being. I couldn’t have picked a better role model for her. Best of luck to Haley & Taylor Sauser on your duet & best of luck to the Starliners. NOW GO GET ‘EM GIRLS!
